

Grand Avenue Primary & Nursery School

Our Vision:

Everyone of us at Grand Avenue Primary & Nursery School is very proud of our school and all that we achieve. The children love coming to school; they are keen to learn more and enjoy working hard in their lessons. Their attitude towards their learning is exemplary, relishing every opportunity and every challenge and their behaviour is outstanding.

PURPOSE

- To foster responsible and ambitious citizens who have a passion to learn and achieve beyond expectations
- To maintain a consistent focus on learning to ensure excellent outcomes for every child
- To design and deliver an innovative, creative and relevant Curriculum which exposes children to a diversity of experiences
- To ensure children build skills needed to thrive in our fast changing world
- To provide a vibrant environment and curriculum which engages and inspires children *whilst in school and beyond*
- To establish a place which creates happy, lasting memories for everyone

VALUES

- Every child has the power to achieve great things
- Instilling collective and individual responsibility, integrity and resilience which will prepare every child for future learning and careers
- Children will thrive and learn best in a calm, positive and respectful environment with clear boundaries
- Working together as a whole community to create an inspiring, optimistic and supportive environment
- Recognising children as individuals and celebrating their personal achievements

AMBITION

- Maintain and exceed high standards of achievement for all
- Accelerate the learning of our most vulnerable children
- Strengthen the ethos and culture of our school – values and beliefs
