1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). - Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

3.5 Class Teachers

Class Teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office.

3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends everyday on time
- Call the school to report their child's absence before the start of the school day on the day of the absence (and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to the Home School Agreement in regards to attendance
- Seek support, where necessary, for maintaining good attendance, by contacting Mr McHale, who can be contacted via the school office

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Timings of the school day can be seen below:

Year group	School open from	register	collection
Reception	8.45am	8.55am	3.05pm
Year 1	8.30am	8.55am	3.05pm
Year 2	8.30am	8.55am	3.05pm
Year 3	8.30am	8.45am	3.10pm
Year 4	8.30am	8.45am	3.20pm
Year 5	8.30am	8.45am	3.15pm
Year 6	8.30am	8.45am	3.15pm

The register for the first session will be taken at 8:55 for EYFS and KS1 and at 8:45 for KS2. The register for the second session will be taken at 13:00 for EYFS and KS1 and 13:15 for KS2.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by the start of the school day, or as soon as practically possible, by calling the school office staff, who can be contacted via telephone on 020 8399 5344.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with the school will consult the Educational Welfare Officer.

4.4 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels during parent teacher meetings if attendance is a concern and at the end of year report.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Head Teacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Head Teacher will only grant a leave of absence to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Head Teacher's discretion, including the length of time the pupil is authorised to be absent for.

An example of an 'exceptional circumstance' would be a close family bereavement. Each leave of absence request will be considered individually.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 3 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The Head Teacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6. Strategies for promoting attendance

Attendance is celebrated weekly on a Friday in our school newsletter. At the end of each term certificates are awarded to children with 100% attendance. These are bronze. Should a child have 100% for two terms then a Silver certificate is awarded. A child attending school for a whole academic year is awarded a Gold certificate.

In addition, we support students facing challenges with attendance by offering well-being interventions, mental health resources and personalized support plans. We work closely with families and provide early intervention to address any barriers to regular attendance, ensuring that all students feel supported both emotionally and academically.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers, mental or physical ill health or SEND

The parent/carer will meet with a member of the Senior Leadership Team and the SENCO to work together to see what can be put in place to support the child and their family to improve their attendance. Advice will be taken from the Educational Welfare Officer who may also be present.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.2 Pupils returning to school after a lengthy or unavoidable period of absence

The parent/carer and child will meet with a member of the Senior Leadership Team to work together to support a smooth transition back into school.

8. Attendance monitoring

Attendance is monitored closely on a half termly basis. Children with attendance of less than 90% are flagged as a concern. Punctuality is monitored regularly and records kept. The Deputy head contacts parents asking for support. If there are problems or concerns regarding a pupils attendance or punctuality, advice and support is sought from the EWO.

Attendance data is scrutinised daily by Office manager. Should a child not attend school and no reason has been given by parents/carers the school will contact the family in the first instance. Should a child be unaccounted for by mid-morning the office manager alerts the SLT. A decision is then made as to the next steps (e.g. contacting police). Consideration is given to family circumstances and previous records. SPA is alerted regarding unaccounted for absence after 6 days.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis

- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Make contact with families to address concerns, this may be completed over the phone, via a letter or in face-to-face meetings depending on each case individually
- Consulting the Educational Welfare Officer in particular cases
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence

Background Information

- 90% attendance = ½ day missed every week
- 1 school year at 90% attendance = 4 whole weeks of lessons MISSED.
- Over 5 year at 90% attendance = ½ a school year MISSED.
- Research suggests that 17 missed school days a year = GCSE grade DROP in achievement (DfE). The greater the attendance the greater the achievement.
- If a school can improve attendance by 1%, they will see a 5-6% improvement in attainment (DfE).
- Parents, please help us and your child by ensuring their attendance remains above 95%, allowing them to achieve their potential.

9. Procedures Students changing school or moving out of the area

Should a parent wish to remove their child(ren) from our school then a letter indicating this needs to be sent to the Head Teacher. The letter needs to state the reason for the change of school, the date the change will occur, the name of the receiving school and a forwarding address for the family. The school will then inform the EWS of the de-registration.

9.1 Children Missing in Education

The school recognises its role with regards children missing in education. Our procedures are;

Day 1: Phone call

A staff member trained to do so (often the attendance officer or lead), telephones the child's home to ask why the child or young person is absent and for reassurance from a parent or carer that the child is safe at home.

Day 2: Follow up phone call

A subsequent telephone call will be made from the school.

Day 3: Write or email parents

A letter or email is sent to the parent in plain English, asking for contact to be made with the school immediately.

Day 5/6: Home visit

Arrange a visit to the home address ensuring that risk assessments are in place.

If the child has not been seen and the parents or carers have not made contact, schools must report the child as missing from education.

9.2 Children moving to a new educational setting

- When a family informs school they intend to leave Grand Avenue we ask for details of the receiving school
- After the child has left we contact the receiving school to ensure the child is registered and attending the new school
- If a family gives no details of a receiving school we contact the local authority informing them if this (this notification is in writing)
- If after 10 days of notifying the authority regarding a child potentially missing in education, there is no response from the authority the school will contact the authority again.

10. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum three years by the Deputy Head. At every review, the policy will be approved by the full governing board.
