Dear Parent / Carer,

Year 1 – Trip to Norbury Park, Bocketts Farm – Wednesday 4th June 2025

To complement our current science topic where we have been learning about different animals we are planning a trip to Norbury Park, Bocketts Farm. During the trip the children will get to meet a variety of animals, enjoy a tractor ride and get to see some pigs racing!

Curriculum impact	In our science lessons we have been learning to identify and name a variety of common animals, including exploring their characteristics and identifying what makes them different and what makes them the same.
