Dear Parent/Carer,

Aspirations Week 13th – 17th January 2025

We are excited to announce that we will be starting the Spring Term with “**Aspirations Week**”. This will be an opportunity for our children to explore what it means to aspire, identify how people have achieved their aspirations and discuss their own aspirations and what they can do to achieve them.

As part of the week, we will be giving the children the chance to explore different careers and businesses so that they can begin to think about their own futures. We plan to have a range of professionals visit the school to talk to our children about their chosen career, discuss with the children the importance of focusing at school in order to achieve their aspirations and how they use language, communication and maths skills in their everyday career now.

On Friday 17th January, we will also be having a ‘**When I grow up**’ theme day. On this day, we invite the children to dress up as the career they could aspire to achieve when they grow up. Investigate different careers and be as creative as you can! This will be an opportunity to celebrate the end of our “Aspirations Week” and inspire children to consider the possibilities for their future.

*If you - or someone you know - could spare us a morning or afternoon to talk about/show aspects of your/their career to the children, please fill in [this Google Form](#) by **Friday 25th October**. The wider the variety of careers, the better. Thank you in advance – your time and invaluable experience are much appreciated and will help our children have high aspirations for the future. You will be contacted individually with further details and to arrange dates/times the week commencing 4th November.*

Thank you for your support.

Yours sincerely,

S. Clift
