Tuesday, 11th October 2022

Dear Parent /Carer

The photographers are visiting school next **Tuesday, 18th October 2022** to take individual photos of the children.

If you would also like a photo of your siblings together, we are running a session before school on the same day. We ask that you drop your children to the new studio classroom between 8.00am and 8.30am. The studio classroom is located opposite the year 6 classrooms in the Annex building, and can be accessed via the top gate.

You do not need to stay with your children as they will be supervised in the studio until registration. Once they have had their sibling photo taken, they will be escorted to their classrooms for morning registration. Children will not be marked in late if there is a delay in arriving in class for registration.

If you would like a sibling photo, please complete the following short survey **by noon on Thursday, 13th October**, so that we have an approximate idea of numbers.

[Click here to start Survey](#)

Siblings will only have their photo taken together if the children are brought into school early. Every child will have an individual photo taken on the day.

If your child goes to Breakfast Club, please let the Office know if you would like a sibling photo, and we will arrange for the children to be taken to the Annex Hall. If your child is in afternoon Nursery, sibling photos will be taken in the afternoon once all your children are in school.

Please speak to the School Office if you have any further queries.

Kind regards

The School Office
