How to purchase books	<ul style="list-style-type: none"> • If your child knows which book/s they would like to purchase then they can bring the money in a sealed envelope with the child's name and the name of the book/s and your child will be able to select them from the shelf on the day. <i>If the book they want is unavailable</i> then they have the choice of choosing an alternative title or we can order the book of their choice to be delivered free of charge to the school. • Alternatively, your child may bring money into school to purchase a book/s on their allocated day. Again, please send money in a sealed envelope with child's name on the front and your child can choose from the books on display.

We do hope you will support this year's Fair.

For each book sold, the school **receives 60% back** to purchase new books, ensuring that good quality texts are available to all children at Grand Avenue.
