Dear Parents and Carers of Pupils in Year 6,

I hope you are all well and that your child is looking forward to their last term in Year 6. It will certainly be a busy one but there will be lots to celebrate. However, on this occasion I am writing to you as unfortunately a matter has been brought to my attention and I feel that I have a duty of care to inform you.

I have seen evidence that a number of pupils from our Year 6 cohort are part of a WhatsApp group that contains a number of children that do not attend our school. We believe there may be older pupils and possibly adults within this group. This group contains highly inappropriate and offensive language both in written form and in voice notes. I urge you all to please check your child's device and remove them from any group where there are unknown persons within the group and/or any inappropriate content/messages are shared. As I am sure you agree, we do not want children being exposed to this type of content.

If you have any questions or concerns, please do contact me via the school office.
