Dear Parent/Carer,

We have been working with our children this academic year to improve fluency and engagement with reading both at home and in school. Each week, stickers will be given out to any children who are regularly reading at home and where this can be seen in the yellow reading diaries.

Please continue to read with your children at home and write comments in the diary. We're sure that the children will be excited to start collecting some stickers!

Thank you for your support,

**The Year 2 Team**
