

Year 4

Summer Term 2024

Reminders

Please ensure your child has the following with them in school every day:

- Water bottle
- Reading Record
- Pencil case (pencil, blue/black handwriting pen, ruler, rubber, highlighter pen, some colouring pencils) which can fit in their tray

P.E.

P.E will be two sessions a week, one indoor and one outdoor.

4T - Tuesday and Friday

4A – Monday and Tuesday

4SP - Tuesday and Friday

Information

Multiplication

Your child needs to be fluent in their multiplication and division facts up to 12x12. Please spend at least 5 minutes a day practising on Times Table Rockstars or other methods.

English and Maths Home Learning

Home learning will be added to the Google Classroom each Thursday and is due back the following Tuesday.

Remind your child to log-in each week to see feedback on work submitted.

Reading

Your child needs to read **every day** and a record made in the reading diary. Your child is encouraged to note down what they liked about a book or words that interest or confuse them. Please make sure that an adult signs the reading diary at least three times a week.

Maths

Mass, Volume and Length

Perimeter

Area

Geometry

Position and Movement

Roman Numerals

Our Maths Mastery approach gives your child the opportunity to understand mathematical concepts in greater depth.

Learning will focus on

Reasoning and problem solving
Working backwards
Making conjectures
Reasoning logically
Visualising
Looking for patterns
Working systematically
Using trial and improvement methods.

English

Poetry

Persuasive writing

Setting description

Writing in role

Newspaper reports

Fact files

Instructional writing

We will continue to base writing tasks on the stimulating texts that are read in class. Your child will continue to work towards achieving the Year 4 'non-negotiable' targets for writing which include correct sentence punctuation and neat legible handwriting.

Your child will continue to develop their understanding of how to engage the reader through effective language choices and varying sentence structure.

Book study

The Miraculous Journey of Edward Tulane by Katie DiCamillo

Belonging by Jeannie Baker

Gregory Cool by Caroline Binch

We would like your child to discover these books as the lessons unfold so please do not read these texts at home.

Topic

A to Z- Journeys

Throughout topic lessons your child will be exploring the question: 'Where will your journey take you?'

In Geography, your child will be locating and comparing key human and physical features using a range of geographical tools.

In Science, your child will investigate how electricity travels by setting up and testing electrical circuits. In the second half of the term learning will be focussed on living things and their habitats.

A more detailed Curriculum map is available on our website. (Parent Resources section - Curriculum information)

We are looking forward to a busy term.
Thank you for your continued support
