

Year 6 Leavers Celebrations

Dear Parent/Carer

We can't believe how quickly it's raced around, but our little ones will soon be leaving Year 6 and off to secondary school!!

We want to carry on the tradition of organising an amazing Leaving Party for the children. This year it is booked provisionally for the evening of **23rd July** – please **SAVE THE DATE!**

At the party will be an incredible **disco**, pizza, drinks and lots of other surprises for the children.

Children will also receive a Leavers Hoodie in March (in time for PGL) They will choose either sky blue or navy blue hoodie, and then a professionally printed yearbook celebrating their years at Grand Avenue School. The children will all also receive a framed caricature as well as lots of other bits in their goodie bags on the night of the party. We will also host a special breakfast for them on their last day of school.

To fund all this we will be hosting cake, cookie and ice cream sales throughout the year and the children will be manning the Year 6 stalls at the Christmas and Summer Fairs.

Obviously this will cover some of what we need to raise BUT as you are all aware the cost of everything has increased. And so to raise the rest we ask you to kindly please make a text donation.

It's easy to donate – please go to www.easydonate.org/yearsix on your phone or other device. Please add gift aid if you can!

Please give as much or as little as you can – all donations will be gratefully received – but we suggest an amount of **£40** to cover everything we hope to provide for the children. The donation can be made anytime between now and March.

Without your generous donations we won't be able to fund the leaver's events.

If you'd like to donate offline please speak to your class rep.

All coms relating to the Year 6 Leavers will be saved onto Google classroom for your ease and reference and we will be posting updates to keep you informed.

Thanks so much for your support! We will be in contact throughout the year with more information regarding the leavers party.

The Year 6 Leavers Team!
