Friday, 6th February 2026

Dear Parent/Carer,

Early Years visit from Mill Cottage Farm Experience Friday, 6th March 2026

During the second half of the spring term, the children in Nursery and Reception will be exploring 'how things grow' which will include how animals grow and change. To support this learning we have arranged a visit from Mill Cottage Farm.

Curriculum impact	The children within our early years will meet a range of animals including donkeys, sheep, pigs, goats, chickens, ducks, turkeys or geese, guinea pigs, rabbits and a dog. They will learn some key facts about these animals including; what they eat and how to care for the animals as well as looking at the average day of a farmer.	
Event	Hosted by	Mill Cottage Farm Experience
	Where	Grand Avenue Primary & Nursery School
	When	Friday 6 th March 2026
	Cost	£5 per child.
Additional Information	<ul style="list-style-type: none"> Your child will need to attend school in their normal school uniform. The school will create a detailed risk assessment which will take into account advice given to us by Mill Cottage Farm. The children will regularly wash their hands especially after touching any animals. If your child has an animal allergy please let your class teacher know and we can discuss each circumstance individually. 	
Action required	Please pay via the School Gateway (either using the app or login via website www.schoolgateway.com) by Friday, 27th February .	

Thank you for your support. We hope the children will enjoy their day.

Yours sincerely,

Ms Hempston
Assistant Headteacher
