Dear Parent/Carer,

This term in Year 2, our Science topic is 'Living Things and Their Habitats'. Towards the end of the term, we will be creating miniature versions of habitats using shoe boxes.

We ask that each child bring a shoebox with their name clearly labelled on the outside by **Monday 16th March**. If you have a shoebox ready now these can be brought into school and we will store them safely until they are needed.

Thank you for your ongoing support. We are excited for the children to share their creations with you.

The Year 2 team

Enjoying Learning - Exceeding Expectations
