Dear Parent/Carer,

### Re: Class Reorganisation for September 2025

I am writing to inform you of the results of our recent class reorganisation. I am pleased to confirm that every child has been placed with one of their three preferred choices. The children will be meeting their new classmates during the day today and we will post the class lists on Google Classroom at 2.00pm for your reference.

We fully understand that change can be difficult for both children and parents, and we appreciate your understanding and support during this transition. The process of reorganisation was a complex task, requiring us to carefully consider the needs of each individual child while ensuring balanced and effective class groups.

I am confident that the new classes will provide a positive and supportive learning environment for all our pupils. Our staff are committed to making this transition as smooth as possible and to supporting all pupils in their new classes.

Should you have any questions or concerns, please do not hesitate to contact us.

Yours sincerely,

**Shona Pitcher**  
**Headteacher**
