Information

Home Learning diaries

Diaries will be used by your child to record their weekly Home Learning and are a useful way for us to communicate throughout the week. Diaries are due in each **Thursday** - please sign each week to show you have seen the Home Learning requirements.

English and Maths Home Learning

Home Learning will be put on Google Classroom each Thursday and is due back the following Tuesday. Remind your child to log-in each week to see feedback on work submitted.

Reading

Your child is expected to read at home least 3 times a week. We ask that you encourage your child to note down what they have enjoyed about their current text, words that interested or confused them and/or a brief summary of the piece they have read. When you read with your child please sign the reading diary; you may wish to make comments too.

School Trips

In Autumn 1 we have booked a drama company to come into school to do a workshop with the children. In Autumn 2 we will be going to the Army Museum on Tuesday, 2nd December (details to follow shortly).
