Thursday, 18th December 2025

Dear Parent/Carer,

We are delighted to announce an exciting change to our school's online home learning from **January 2026**.

We are transitioning away from Mathletics and introducing the **Doodle learning platform** (DoodleMaths, DoodleEnglish, DoodleSpell) for online tasks in maths, English grammar, and spelling for all children from Year 1 upwards.

- Doodle uses an intelligent algorithm to provide **personalised learning** tailored to each student's needs and current ability, ensuring appropriate challenge and progression.
- The platform also rewards effort, fostering a positive growth mindset.
- Children have already explored Doodle in school and have given positive feedback.

Your child's Doodle account has been set up using their existing Google Classroom login. They can access Doodle on tablets, smartphones, laptops or desktops. Please watch this introductory video with your children: <https://videos.doodlelearning.com/watch/YQXm6ax3vhFeBHPp7H89SG>.

Google Classroom will still be used to post and track homework, comprehension and termly topic projects. This combination of Doodle's daily practice and Google Classroom's broader tasks will provide a well-rounded home learning experience.

Students in Year 2 and above will receive a Doodle jotting book with squared paper, designed to help children accurately structure their math workings. This book should remain at home, though your child may bring it in to discuss their work with their teacher. Year 1 will continue to use their existing home learning books.

More information can be found at the Doodle Help Center at [by clicking this link](#). Alternatively, please do speak with your child's class teacher or a member of the Senior Leadership Team.

Kind regards,

Mr McHale
Deputy Headteacher

Enjoying Learning - Exceeding Expectations
