

GRAND AVENUE PRIMARY SCHOOL | YEARS 3 – 6

Afterschool Code Club_

The term starts with **RETRO GAMING!** Design and code your own classics such as Pong!, Asteroids, Space Shooter and Doodle Jump. Then it's competition time! Can you beat your friends at your own game? Working in a team, create your own maps, characters and game code!

In the second term, get ready for **STOP MOTION ANIMATION!**

This course empowers teams to take their ideas from concept to screen. Using first digital characters, then toys as their cast, participants will collaborate to develop engaging storylines, meticulously animate each scene, and combine their efforts into final, polished video productions. The course culminates in an exciting screening where teams showcase their creative achievements.

**“You can’t use up creativity.
The more you use, the more you have”**
