Dear Parent/Carer,

We are pleased to confirm that the individual school photographs (and sibling photographs, if applicable) have been taken. Your child will bring home a school photo registration card today/tomorrow.

Please scan the QR code or visit the website as shown on the card and use the unique code shown on the card to register your child. Once the photograph proofs are ready to view you will automatically receive an email notifying you of this. Please note that you will only receive this notification when you have registered your child.

If you have not received your school photo registration card, please contact the School Office for assistance.

Kind regards

The School Office
